CAMBEL HURST

Herndon, VA | Cambelh07@gmail.com | linkedin.com/in/cambel-hurst | cambelh07-glitch.github.io

PROFESSIONAL SUMMARY

Public policy professional with experience in regional public transportation, local government administration, and economic development, currently a Professional Development Fellow with OmniRide supporting ridership data, NTD reporting, and service scheduling. Completing a Master of Public Policy at George Mason University's Schar School (Regional Growth, Infrastructure and Transportation). Skilled in transit data analysis, GIS, and policy research, with a focus on presenting findings clearly to boards, staff, and the public.

PROFESSIONAL EXPERIENCE

Professional Development Fellow | OmniRide / PRTC | Woodbridge, VA *Jul 2026 – Present*

- Assist in preparing the agency's automatic passenger counter (APC) system for Federal Transit Administration (FTA) certification, supporting the use of APC data for National Transit Database (NTD) ridership reporting
- Assist with preparing ridership data for service evaluation and performance reporting
- Conduct field timing of new and revised trips to verify scheduled running times against actual conditions
- Assist with timing and planning of non-revenue (deadhead) trips to support service scheduling

Assistant Community Manager | Lake Braddock Community Association | Burke, VA *Aug 2025 – Jun 2026*

- Promoted from Administrative Assistant within three months of hire
- Served as a primary point of contact for a 1,300-home community, resolving resident concerns across compliance, architectural review, and community services
- Reviewed architectural and land-use applications against community covenants and design guidelines, issued compliance determinations, and coordinated with property owners and vendors toward timely resolution
- Briefed the elected board ahead of meetings on pending contracts, policy items, and case status, preparing materials that supported informed decision-making
- Built and reconciled tracking datasets monitoring cases, reimbursements, and settlements for board review, and drafted official correspondence and formal notices consistent with governing regulations

Programs Intern | Fairfax City Office of Economic Development | Fairfax, VA *Aug 2024 – Dec 2024*

- Partnered with the communications team on citywide programs, including Restaurant Week and the Flex Card initiative, increasing community engagement by 20 percent, and drafted public-facing materials distributed by department leadership
- Maintained and updated CRM records for more than 200 local businesses, improving data accuracy and outreach reliability

Research Intern | Portsmouth Commissioner of the Revenue | Portsmouth, VA *Dec 2022 – Jan 2023*

- Co-authored a policy memorandum presented to the Commissioner identifying more than $2 million in potential municipal revenue from emerging tax sources
- Conducted policy research on municipal revenue strategies, analyzing fiscal data and government documents
